School Trips

If your child has recently brought home a school trip letter please ensure you return the consent for form to your child's class teacher and pay for the trip via school gateway.

The trips include a range outdoor activities and will be a fun and valuable learning experience for the children. Covid-19 guidelines will be strictly followed at each venue and we are the only school booked at the venues for each date.

School heavily subsidise all trips to try to keep cost to parents as low as possible. Although school can only ask for a voluntary contribution from parents toward the cost of school trips unfortunately without sufficient contributions they will not be able to go ahead. Thank you for your understanding and support.
