School Trips

If your child has recently brought home a school trip letter please ensure you return the consent form to your child's class teacher and pay for the trip via school gateway. If unable to pay via school gateway, please contact the school office who can print a pay point voucher.

The trips include a range of activities and will be a fun and valuable learning experience for the children.

School heavily subsidise all trips to try to keep cost to parents as low as possible. Although school can only ask for a voluntary contribution from parents toward the cost of school trips unfortunately without sufficient contributions they will not be able to go ahead.

Thank you for your understanding and support.

Swimming

Mr Hartley's class (6CH) will be going swimming on Tuesday 12 July. Miss Stephenson's class (4JS) will be going swimming on 5 July. The children will not arrive back at school until 3.30pm on these dates.

How to take part in 'Gadgeteers'

Who can take part? The Summer Reading Challenge is open to all **primary school-aged children**. It is a flexible programme that is designed for all levels of ability.

Location Run in 95% of **UK public libraries** and online at summerreadingchallenge.org.uk

Launch date Saturday **25th June** in Scotland and Northern Ireland
Saturday **9th July** in England and Wales.*

* Regional variations may apply, so check with your local library to find out when Summer Reading Challenge activity will start and end in your local area.

At the library

1. A child will visit their local library and sign up to the Challenge for free. They receive their Gadgeteers core pack poster.
2. They set a personal reading goal for the summer (we recommend six books).
3. Borrow and read books, eBooks and audiobooks of their choice. They can read anything they like: fiction, fact books, poetry, joke books, picture books, graphic novels, audiobooks...
4. Collect special incentives from the library each time they finish a book.
5. Receive a certificate and/or medal for taking part, or for reaching their Challenge goal.

In addition, libraries offer a wide variety of events and activities for families to enjoy throughout the summer.

Online

1. Sign up at summerreadingchallenge.org.uk
2. Set a personal reading goal for the summer.
3. Receive book recommendations and tips for accessing books for free at home.
4. Each time they finish a book, the child adds it to their online profile and leaves a review. They unlock digital badges and online rewards along the way.
5. Unlock a certificate for reaching their Challenge goal.

Children can also play games, enter competitions, share book recommendations, download activities and more on our free, safe, moderated platform.

At the heart of the Challenge is children choosing and sharing books of their choice, in any format.

Novels, fact books, picture books, graphic novels, joke books, eBooks and audiobooks all count towards completing the Challenge.

Do you feel...?

Worried? Sad? Angry?

Like you have a knot in your tummy?

Like it's hard to get excited about things?

If you feel any of these things, talk to someone you can trust. That might be your mum, dad or carer, or one of your school teachers.

They will be able to arrange for someone from the **Mental Health Support Team** to speak to you, to see how they can help you feel better.
