

ST BASIL'S CATHOLIC PRIMARY SCHOOL

PE IMPACT STATEMENT 2021 2022

The use of the PE and Sport Premium is to achieve self-sustaining improvement in the quality of PE and Sport. Its intention is for the funding to have a long lasting impact. In 2021/2022 the Premium was used to:

- The engagement of all pupils in regular physical activity
- The profile of PE and sport is raised across the school as a tool for whole-school improvement
- Increased confidence, knowledge and skills of all staff in teaching PE and sport
- Broader experience of a range of sports and activities offered to all pupils
- Increased participation in competitive sport

Meeting National Curriculum requirements for swimming and water safety	%
What percentage of your current year 6 cohort can swim competently, confidently and proficiently over a distance of at least 25 metres?	30% 16/54
What percentage of your current year 6 cohort use a range of strokes effectively, for example, front crawl, backstroke and breaststroke?	30% 16/54
What percentage of your current year 6 cohort can perform safe self-rescue in different water-based situations?	30% 16/54

Academic Year 2021-2022	Total fund allocated £18,700 + £8,210 carried forward due to Covid restrictions =£26,910			
Use of Funding	Brief Details	Amount Spent	Impact	Sustainability
Specialist sports coach	Mr Finlater to teach specific sports to provide a wider range of opportunities for children	£1440	Provided the children with a broader range of sport activity, and a chance to develop new skills.	Mr Findlater's support during autumn term at lunchtimes ensures children are achieving their active 30 minutes a day. He

<p>Lunchtime and afterschool activities</p>	<p>including competition preparation.</p> <p>This includes additional lunchtime and out of school clubs to extend the current breadth and opportunity for children</p>	<p>£960</p>	<p>Increased confidence when participating in competitive sport against other Halton school.</p> <p>The activity level of pupils, in particular has significantly increased in KS2 which is a positive as some exercise levels have still been low since the effects of covid.</p>	<p>has worked with the older pupils in the school so that they can deliver activities for other children each lunch time as well as the younger pupils to teach them to basic skills of throwing, catching and team games. This can continue through the use of play leaders.</p> <p>Mr Findlater has also provided after school clubs with a focus on sports that are commonly more engaged with by girls to help support their engagement in PE and continuing this will maintain their engagement.</p> <p>Lunchtime supervisors have been supported and upskilled by Mr Finlater to ensure the children continue to have active lunch times.</p> <p>Due to this provision ending in autumn term, there will be some funding carried forward to next year.</p>
<p>Developing Positive Playtimes CPD and resources</p>	<p>Improving the quality of activity and engagement at playtimes in KS1 and 2</p>	<p>£2000 (£1500+500)</p>	<p>Children have had a variety of different pieces of equipment to use during lunch times and play times. During a recent questionnaire over 90% of pupils enjoyed having a choice of zones and different equipment to play with. This has also had a very positive impact on</p>	<p>This will remain in place and equipment will be continuously monitored to ensure it is suitable and fit for purpose, damaged equipment can be replaced and through pupil voice and feedback, additional equipment can also be purchased in the future.</p>

			pupil behaviour due to them being engaged in different activities.	
Year 3-6 Swimming transport	Y3&4 X8 weeks swimming lessons Y5&6 8 weeks swimming lessons	£2000	Pupils have given great feedback about swimming and how much they have enjoyed it. Most pupils also stated that they feel they had improved since the first lesson. Pupils had not been swimming for 2 academic years and some classes reported 48% of pupils being able to swim 25 metres confidently, which is great because they have not had opportunities to swim.	School can support in funding the swimming coaches to ensure that the standard of swimming achievement continues to improve.
Sports Games organiser WPSSA	Joe Obeiro-Organising all of the local school games and results Widnes Primary Schools Sport Association	£495 £50	Children have taken part in games and competitions with local schools. This has increased the children's participation in games as well as their confidence and interest. The school had some success as the Y5/6 girls recently won a football tournament.	Children will continue learning these sports in PE lessons and links with external clubs will be explored and continued to be promoted. We will continue to work with Joe for the next academic year.
5 a day fitness	Aerobics programme to get children moving in classes and throughout the day	£268	These videos help children to re-energise and focus through stimulating stretches/movements. This often helps improve concentration in lessons.	5 a day will continue to be used as it is an easy way to stimulate children and get them to focus after a prolonged period of time were there has been a lot of inactivity.
PE safe practice handbook	The book offers advice across the complete physical education curriculum to help you protect your students and yourself from potential risks. The resource	£50	This has ensured up to date compliance with safety standards for children and staff	Ensures ongoing compliance and safety with activities and resources.

	contains extensive information about what is considered best practice and can provide the basis for your health and safety policy			
Additional equipment and resources	Playground equipment to enhance play both team sports & non-competitive activities	£2000	Activity levels of children have increased at playtimes and lunchtimes. More children are accessing these activities and resources. Children have access to more resources and a wider range of games and skills.	We have invested a lot of money in gymnastics equipment to support staff delivering gymnastics sessions after their gymnastics CPD in the past We have also bought additional equipment for play times to support active lunch times. Giving the children a variety of equipment gives them lots of options for activities they can choose during their lunch time.
Competition transport	Transport to attend sports events/competitions	£2625	Children have been taken to swimming lessons and various sporting events/competitions.	This is essential to keep pupils involved with competitive sports and to promote a love of sports outside of the school community.
Competition supply cover	Staff to cover teachers taking children to sports events/competitions	£1500	Staff have been covered so they have been able to take children on various sporting events/competitions.	It is essential that specific staff such as class teachers go with their pupils on competitions as to have the most effective relationship with pupils to maintain positive behaviour outside of school when representing the school.

Playground equipment and storage for lunchtime	Enhance activity and engagement at playtime and encourage positive lunchtimes (Table tennis tables and equipment x3 Storage sheds)	£2000 £6000	Increased participation in table tennis and children being active at break and lunch times. With 2 more table waiting to be set up this should again have a greater impact. This gives children a better variety of activities to choose from at lunch and break times. The sheds are still pending delivery and will carry forward to next year.	This equipment is good quality and should be fit for purpose for many years. Upper KS2 children will have access to the table tennis every lunch and break time.
Additional swimming transport and coaching	Transport for addition swimming sessions for children who haven't reached the UKS2 standard	£1655	This hasn't been available this year due to limitations of the swimming baths. They have been unable to offer us the slots we required. We will carry this forward to next year and research alternative swimming provision.	
Dance CPD	Improve the teaching and learning in dance	£2000	This has been unable to happen due to the retirement of the dance teacher. We have delivered internal CPD to staff. This will carry forward to next year when we will source an alternative dance teacher.	

TOTAL ACTUAL Spend: £15,388

Carry forward to next year: £11,522
