#### Introduction

The government provides Sports Premium funding for Primary Schools to provide additional and sustainable improvements to P.E. and sport for the benefit of all pupils and to encourage the development of healthy and active life styles. Schools will spend the sport funding on improving their provision of P.E. and sport and will have the freedom to choose how to do this. Examples include enhanced professional development opportunity, additional sport clubs, equipment to support P.E. and hiring specialist P.E. teachers and qualified sport coaches.

At St. Basil's Primary School we recognise the contribution of P.E. to the health and well-being of the children. In addition, it is considered that an innovative and varied P.E. curriculum and extra-curricular opportunities have a positive influence on the concentration, attitude and academic achievement of all children.

The outcomes we hope to meet through the Sport Premium funding are:

<b>Key indicator Areas</b>	<b>Our School Focus</b>
<p><b>Key indicator 1</b> The engagement of all pupils in regular physical activity - the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school</p>	Increased opportunities, equipment and activity ideas to achieve 60 minutes of exercise a day, particularly in developing playtime quality across the school, especially in KS1 and KS2 girls.
<p><b>Key indicator 2</b> The profile of PE and sport is raised across the school as a tool for whole-school improvement</p>	Work towards achieving the Silver School Games Award and Quality Mark 2021 - 2022
<p><b>Key indicator 3</b> Increased confidence, knowledge and skills of all staff in teaching PE and sport</p>	Improved quality of teaching and learning in Primary Physical Education, including more dynamic exercise in lessons and in particular skills and confidence in dance
